Prices above are one-way, and shown in NZ\$ (Gst included). The end price depends on the exact pick up and drop off location, and can also be affected by public holidays. We do not charge any booking fees.

RQ = on request. Please contact us for a quote if you require pick up at those times.

Surcharges apply for multiple pick up / drop off addresses, or for pick ups or drop offs "off route" (e.g. not on the most direct route between Whitianga and the relevant city).

Fares shown in this table are valid for up to 2 passengers. Extra passengers incur a \$20 surcharge each. Note however that luggage room is restricted to the equivalent of 2 large suitcases or up to 4 smaller bags (plus hand luggage).

When you book two transfers in one transaction for the same passenger(s), i.e. return transfer, the second of the two transfers will be discounted by 10%.

Same day return (start point Whitianga only) is charged either as two one-way trips or one one-way trip plus waiting time, whichever is less. Waiting time starts from \$20 per hour (if driver is not required to remain with passenger).

SuperGold card holders can enjoy 5% off the fares published above. The discount also applies to waiting time.
